The Programme Leader has confirmed students can only work full time after the date on the CAS letter.

Although Semester C is designated as a vacation period, students are expected to secure and obtain approval for their placement during this time. If the student does not get placement then the period is considered as vacation period

For students on a Student Visa, please note the following: if approval is given to begin a placement during Semester C, the remainder of that semester will be treated as term time.

From the point the placement begins, Student visa working conditions will apply. This means that any additional work undertaken outside of the approved placement must comply with term-time work restrictions.
