

Placement Fund

Introduction

If you are a student from Health and Social Care (HSK), Life and Medical Science (LMS), Schools of Law & Education (SLE) or the Department of Humanities within the School of Creative Arts and you are currently undertaking an unpaid work placement that is an integral part of your course this academic year (2025/26), you can apply for this fund to assist with your placement-related costs.

Students will be able to receive a £250 non-repayable award which should be used to cover placement-related costs.

Please note, this fund has a limited budget. Once funds have been exhausted, the fund may be closed outside of the dates stated below, without advanced warning. Therefore, students are encouraged to apply early, as funds will be allocated on a first come, first serve basis.

How you will be assessed

The 4-week turnaround is for decisions on applications, not for payment of an award.

Receiving an award

If your application is successful, you will receive a £250 non-repayable award. The results of your assessment will be sent to your student email address. If you are successful, you will also be informed of the date when you will be paid.

Balance will be paid by BACS into your nominated bank account. An award will never be paid to a student in cash.

It is your responsibility to keep your bank information up to date and correct.

If they are not, you may have to wait longer to receive your award. If you are unsure whether the University has your correct bank details, you should check your student record or contact Place2Pay at payus@herts.ac.uk.
