- Return in Semester A for year 2 for the whole year.

Although Semester C is designated as a vacation period, students are expected to secure and obtain approval for their placement during this time.

For students on a Student Visa, please note the following: if approval is given to begin a placement during Semester C, the remainder of that semester will be treated as term time.

From the point the placement begins, Student visa working conditions will apply. This means that any additional work undertaken outside of the approved placement must comply with term-time work restrictions.
