

Health, Medicine and Life Sciences 2025-2026 Semester A Intake Study Pattern

- **BSc Bioscience**

Starting: September 2025

Important Information for Student Visa Holders:

Please note that all periods except official University vacations are considered term time. This includes the time after your final exam or dissertation submission, up until the end date on your CAS. During this entire period, you must continue to follow the term-time work restrictions set by your visa.

Although Semester C is designated as a vacation period, students are expected to secure and obtain approval for their placement during this time.

For students on a Student Visa, please note the following: if approval is given to begin a placement during Semester C, the remainder of that semester will be treated as term time.

From the point the placement begins, Student visa working conditions will apply. This means that any additional work undertaken outside of the approved placement must comply with term-time work restrictions.
