

Get started...

with Herts Digital

You should aim to complete this checklist within the first four weeks of your first Semester at Herts. You will be introduced to many of these digital tools through your work on your programme of study.

You can also find resources and details of help to enable you to complete this checklist in the Digital Skills unit of the Library SkillUP module, or search on Ask Herts or via the Herts mobile app with an appropriate keyword, for example timetable, eduroam or Office 365.

- Note: The property of the prop
- Ask Herts
- Herts Mobile

Interactive

Use this checklist to get to grips with the key digital tools and platforms you will use at Herts. Download this document, check the boxes, and don't forget to hit 'Save'. Be sure to save this checklist, so that you can find and use it again in the future.

I have set-up eduroam on my devices to be able to use free campus wifi.

I can log-in to Herts systems using my <u>University log-in</u> and <u>password</u> and I know how to manage my <u>multi-factor authentication</u> settings and devices.

I can access my module sites from <u>StudyNet</u> on the desktop or from the <u>Canvas Student</u> <u>App</u>.

I can access my timetable from StudyNet.

I can use **Ask Herts** via the desktop or **Herts Mobile** App.

I can set up my Canvas notifications to receive alerts about activity on my module sites.

I can communicate with my tutors and other students via Canvas inbox.

I can access a PC, Mac or laptop on campus if I need it.

I can **print** items on campus if I need to.

I can access Papercut to top-up my printing account.

I can contact <u>Helpdesk</u> with appropriate information to enable them to assist me with an issue.

I can use <u>VPN (Pulse Secure)</u> to access relevant on campus services when off campus or VPN is required for access.

I can take appropriate steps to <u>keep my university log-in and personal information safe</u> online.

I can access Microsoft applications in Office 365 to support my studies.

I can access <u>Teams or Zoom</u> to meet online with my tutors or other students, if necessary.

I can access the **specialist software** I need for my course on campus or remotely.

I can access information to stay informed about the <u>university policy on use of Artificial</u>
<u>Intelligence (AI)</u> tools as part of my studies.

I can access the **Reading list** on my module sites.

I can access the **Online Library** (including my library account) via StudyNet.

I can search the Online Library to find and save resources that are useful to me.

I have engaged with the <u>Herts Digital Learner profile</u> to understand my current digital skills priorities for development.

I can access in person and self-guided digital skills development support in the <u>Digital</u> <u>Skills unit of Library SkillUP</u>.

I can access My Learning Dashboard to view my academic progress and engagement.
